re: docket 7533 – comments on technology cap

Dear Mrs. Hudson:

The Group of Municipal Electric Utilities (“GMEU”)\* agrees with the position of the Department of Public Service, set forth in the Department’s April 30, 2010 letter, that the technology caps established by the Board should remain in place for at least an additional six months.

Thank you for this opportunity to comment.

Very truly yours,

David John Mullett
